

ICS Members in the News

Anna Nagurney was a speaker at the 2009 World Science Festival in NYC in mid June. Anna had lofty colleagues as speakers, including five Nobel laureates; mathematicians such as Barrow and Penrose; musicians such as Joshua Bell, Bobby McFerrin, and Yo-Yo Ma; and esteemed academics Alan Alda, Glenn Close, and Harrison Ford. A full list of the speakers is at <http://worldsciencefestival.com/speakers/2009>.
