

Workshop on

**“Complex Networks - Equilibrium and Vulnerability
Analysis with Applications”**

part of the Fulbright Senior Specialist Award given to Professor Anna Nagurney

Aula Magna

Department of Mathematics and Computer Science - University of Catania

March 10th - 12th, 2008

Speakers:

Barbagallo Annamaria, Cardillo Alessio, Daniele Patrizia, Donato Maria Bernadette,
Giuffrè Sofia, Maugeri Antonino, Milasi Monica, Nagurney Anna, Nicosia Vincenzo,
Pia Stephane, Raciti Fabio, Scellato Salvo, Scrimali Laura

Organizing Committee:

A. Nagurney (University of Massachusetts, USA): nagurney@gbfin.umass.edu

P. Daniele (University of Catania, Italy): daniele@dmi.unict.it

Under the auspices of Magnifico Rettore – University of Catania

With the financial support of:

University of Catania

Department of Mathematics and Computer Science – University of Catania

PhD in Mathematics for Technology – University of Catania

PhD in Computational Sciences and Informatics – University of Naples

Progetti d’Ateneo: Prof. M. Marino – Prof. F. Nicolosi
