Category: Campus Announcements

The Faculty Senate is pleased to announce those who have been awarded 2016–2017 Coffin Grants and 2016 Summer Stipends. Congratulations to all of the recipients — their proposed projects represent a diverse and creative range of scholarly and other professional activities.

VINCENT B. COFFIN GRANTS

— **Ladimer S. Nagurney**, Professor, Engineering, CETA, will be purchasing two Universal Software Radio Peripherals (USRPs) for the University of Hartford, to develop applications for use in his Fall 2016 courses:
